

## VIVE

# BARIATRIC COMMODE

### LVA1059

The Vive bariatric commode is a convenient option for those needing an easily accessible toilet. Durably constructed, the Vive commode features a stainless steel construction with non-skid, non-marring rubber tips for extra stability that also easily folds for convenient storage. It includes a lid, a six-quart pail that fits standard commode bag liners and a splashguard. The chair height is also adjustable for individual comfort and can be used as a bedside commode, a safety toilet rail frame or as an elevated seat for an existing toilet. Providing additional support, the armrests are covered with a soft plastic for a comfortable, secure grip.

### DURABLE MATERIALS

Lightweight stainless steel construction supports up to 550 pounds.

### HEIGHT ADJUSTABILITY

Commode height can be adjusted in 1" increments to a maximum of 20".

### SECURE GRIPS

Soft, molded plastic armrests create a comfortable, secure grip area.

### VERSATILE COMMODOE OPTION

Providing a convenient solution to meet the needs of a loved one or patient, the bariatric commode is lightweight and has a six-quart capacity pail with a lid and splash guard. The commode chair can be used as a standalone unit, as a safety toilet rail frame or as an elevated toilet seat for an existing toilet and easily folds away for convenient storage.

### ARRIVES PRE-ASSEMBLED

Bariatric commode arrives partially assembled for convenience. Tool-free height adjustments and a drop-in pail make the initial commode setup quick and hassle-free.

### DURABLE NONSLIP DESIGN

Lightweight and corrosion resistant, the stainless steel construction provides a sturdy bedside option with a weight capacity up to 550 lbs. Each leg is tipped with a non-marking, nonskid rubber cap for extra stability. The armrests are also covered with a soft material for a comfortable and secure grip when standing or sitting.

### EASY ADJUSTABLE HEIGHT:

Easy tool-free adjustments raise or lower the chair height to safely accommodate any individual. The leg height is adjustable from 16.5" to 22" for individual comfort.

### VIVE GUARANTEE

60 day unconditional guarantee so you can purchase now with confidence.
